Firemen Win Suit On Theft Charges

Three former Placentia firemen, who had been charged with petty theft in connection with disappearance of materials and fixtures from vacant public buildings and fired from their jobs, were cleared Monday of the charges in municipal court in Fullerton.

Acquitted were Patrick O. Wible, Richard J. Clawson and Rick Bitrick. The trio has already been absorbed into the Orange County fire service which now accommodates the city of Placentia.

The court ruled insufficient evidence and that the three firemen had been questioned about the alleged thefts after telling inquiring Placentia police that they were being represented by CIO-AFL Union attorneys. The firemen were affiliates through their International Association of Fire Fighters union local 2147.

The California Appellate Court has ruled that police are not permitted to question suspects who have legal counsel.

Charges against another fireman, Arthur Wilkerson had previously been dropped for insufficient evidence. All four, however, had been accepted by the Orange County fire service when an arbitrator could not reach a decision on their case by the December 31, 1975 deadline set for local firemen to be acceptable into the county merger. Final action on the arbitration still is to be decided.

The court decision is one in a long list of troubles which eventually disintegrated the local fire service and led the city to seek fire protection from Orange County. The city now has a contract with county fire service through June, 1977.

The city recently won a second round of court battles over a $15.5 million suit brought by the fireman's union against the municipality. That stemmed from the firemen's allegations that the city's converting its fire service to a 40 hour work week was not accomplished in good faith.

The firemen have lost that suit in both Superior and Appellate courts. The conflict is now scheduled to go to the state Supreme Court.

No Ethnic Busing In Placentia Area

The 34-square-mile Placentia Unified School District, only part of which is developed, does no busing for reasons of ethnic balance, members of the Educational Facilities Planning Committee were informed last week.

However, the district does bus 4,000 children each day and 65 per cent of these are elementary students.

A year's tab for the busing required is approximately $291,246 (based on 1974-75) and of this $239,205 is tagged as approved busing by state standards. PUSD busing costs represent about 1.5 per cent of the district's total budget.

The state reimburses to PUSD 100 per cent of special education busing or $38,000 annually. The state also returns 35 per cent of approved busing costs, the $239,205 figure, for a payment of $83,000 for regular home-school-home busing. That leaves a balance to be picked up locally of $170,246.

PUSD youngsters are bused mainly for reasons of distance, the report states. Kindergarten through third graders are bused if they live further away from the school than one mile; fourth through sixth graders if more than 1¼ miles; seventh through eighth, more than 1½ miles and ninth through twelfth, 2½ miles.

The district's 22 large buses and 10 vans cover 41,613 miles a month but 9,454 miles of that total (150

John Press President Of PUSD Board

John Press, a banker by profession and member of the Board of Trustees of the Placentia Unified School District, was chosen as president of the group at the annual organizational meeting of the board, Monday.

Selected as vice president was John Balducci, who also was named as the district representative for the county nominating committee on School District Organization.

Mrs. Jean Pappas was chosen as Clerk of PUSD in the Monday night election.

Easter Events

Sunrise Service In Kraemer Park

The public is invited to attend Placentia's fourth annual Easter Sunrise Service to be held in Kraemer Park.

The service will begin at 6 a.m. Easter Sunday.

Coffee will be served to guests on arrival and the Rev. Robert Prentice, a pastor of the Placentia Presbyterian Church will be the principal speaker.

A special feature of this year's celebration, according to the Placentia Clergy Association, sponsors of the event, will be a bilingual section of the service in Spanish and English and the music of "The Redeemer" in both languages.

In charge of this year's arrangements are Rev. Philip Lewis of the Placentia Calvary Church and Rev. David Brostrom of the First Baptist Church of Placentia, the Church in the Marketplace.

Youngsters Collect Souvenirs For Trip

Twenty-two Placentia youngsters and their ten guardians are completing plans for an ambassador-of-good-will trip to Piacenza, Italy, leaving here around June 15.

The group was collecting souvenirs for their travels last week with a request from the city council that they be given a few gifts to present to their Italian friends.

The city council responded with a framed proclamation of Friendship to be presented to the ruling body of Piacenza, Placentia's namesake in Italy. Also each youngster making the special tour will be given one of the city's Bicentennial Medallions to be presented to his or her host.

And Italy may be flourishing with lapel type all America shields, which are of the inexpensive variety and may be provided the ambassadors in some quantity.

Also considered in the package was a plaque with the official seal on it and the guardians requested All America City T-shirts. "The children could wear these going on the airplane and we could keep track of them a little bit better", a spokesman explained.

The youngsters and chaperones are returning a visit made by Piacenza youngsters and parents to Placentia in May last year. The two week return trip will take the Placentia youth to Switzerland and all through Italy on special tours and visits. They will be staying in Italian homes with hosts their ages, 11 and 12.

The trip is under the supervision of Mrs. Eva Carter, Placentia, who served as the interpreter for the first visit. In Italy, Mrs. Rita Levoni, a school teacher in Piacenza, who was responsible for originating the idea of the first visit, will be greeting the American youngsters.

Girl Hawks Crowned CIF Champions

The Golden Hawks, girl variety, won the 3-A CIF basketball title last week with a score of 65-40. Losers were the girls team from Righetti High School of Santa Maria.

The game was played at California State University at Fullerton before an enthusiastic crowd.

The additional crown gives El Dorado High School an outstanding season in sports this year.

The Hawk athletes, boy variety have won titles in CIF water polo and wrestling and second in boys swimming and football.

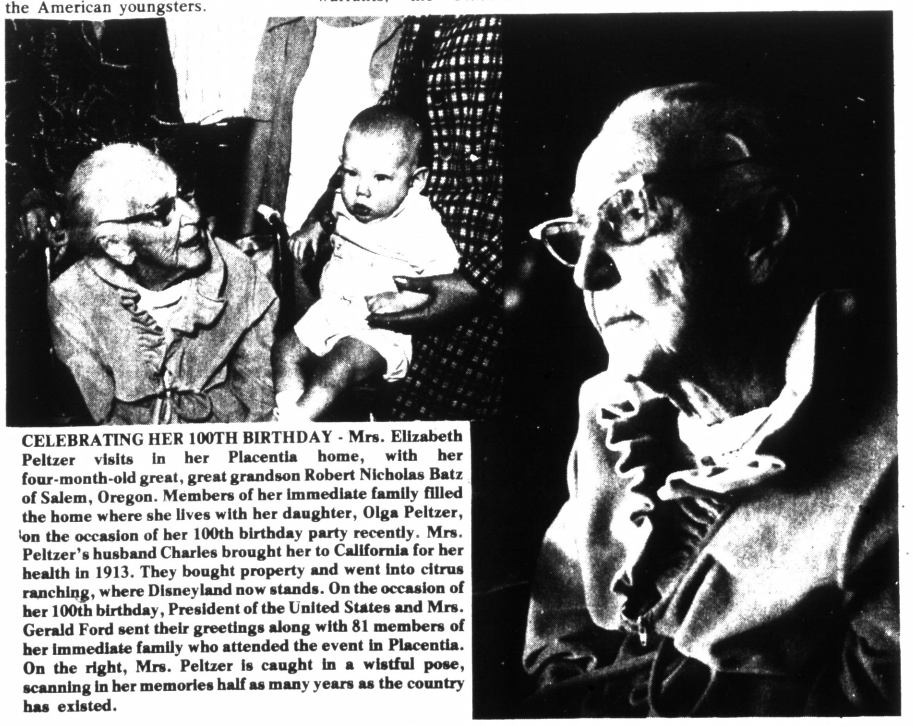
Man Jailed, Found Dead In Cell

A 21-year-old Anaheim man was found dead in his Placentia jail cell Friday afternoon, apparently a victim of his own hanging.

Gregory L. Gilbert Salcido of 1516 East Pinewood, Anaheim, had been arrested three hours earlier on warrants, the Placentia Police Department reported.

His lifeless body was discovered on the regular hourly check. An autopsy was ordered to definitely determine the death cause.

The parents of the deceased reside at the same address in Anaheim.



CELEBRATING HER 100TH BIRTHDAY - Mrs. Elizabeth Peltzer visits in her Placentia home, with her four-month-old great, great grandson Robert Nicholas Batz of Salem, Oregon. Members of her immediate family filled the home where she lives with her daughter, Olga Peltzer, on the occasion of her 100th birthday party recently. Mrs. Peltzer's husband Charles brought her to California for her health in 1913. They bought property and went into citrus ranching, where Disneyland now stands. On the occasion of her 100th birthday, President of the United States and Mrs. Gerald Ford sent their greetings along with 81 members of her immediate family who attended the event in Placentia. On the right, Mrs. Peltzer is caught in a wistful pose, scanning in her memories half as many years as the country has existed.

Placentian Elizabeth Peltzer Celebrates Her 100th Year

As the United States of America celebrates its Bicentennial-200th birthday, there is a wisp of a lady, living in Placentia, who has witnessed half of it.

Great, great grandmother, Mrs. Elizabeth (Charles) Peltzer, on Saturday, February 28, 1976 became 100 years old.

Fully aware of everything going on around her, Mrs. Peltzer, who once lived with her husband where the northwest part of Disneyland now stands, has only in recent weeks been in failing health and is confined mainly to her bed.

Before that she was a regular part of the family life, watching her favorite programs on television every day and keeping up with the news and what is going on in the world around her.

On her birthday, she spent two hours with her family at a gala birthday party, which gathered the Peltzers together, those who survive her, and which was noted as far away as Washington, D.C. by President of the United States Gerald Ford.

The President sent Mrs. Peltzer engraved best wishes, signed by the presidential hand and now resting beneath a large picture of the wedding of Elizabeth and Charles Peltzer, painted in the circa of January 17, 1899.

"Mother's health just now is beginning to fail," Olga Peltzer explains in her Placentia home where her mother Elizabeth lives with her. "She has been so spry, so interested in everything around her".

Opinion

Press deadlines occur before the polls close so the Courier can not publish election results in this week's edition. Full details will be carried in the April 21 edition.

* * *

Tuesday's election climaxed a campaign that was, for the most part, low key until the closing week when it became one of the hottest the city has ever experienced.

The source of the heat was a controversial letter by four former mayors mailed to some 3,000 voters urging them not to vote for Mike Callahan and stating their reasons for this suggestion.

Callahan countered with an attempt to have charges filed against the quartet but the District Attorney declined to prosecute. Grounds for the charges would have been an alleged violation of the Election Code section which states that the names of the printer and publisher must appear on all political mailings.

While those names did not appear on the letter, the four men sending it had their names clearly on the letter in signatory positions.

Actually, a number of candidates violated this statute. Callahan, himself, complied on his regular brochure, but failed to do so on an addendum stapled to the brochure after the contents of the letter became known.

Hostilities between Callahan and former Mayor Robert Langer have been strong for many years. But, in and of themselves, would not have led to the letter.

What is probably behind the maneuver is Callahan's avowed determination to remove City Administrator Edwin Powell from city employment and the group of former mayors' firm belief that Powell is a considerable asset to the city and has committed no offense worthy of dismissal.

Unless a specific charge, or set of charges, are made against Powell, it is hard to debate the issue or take any action.

Whichever three candidates are elected, we hope they all dedicate themselves to serving the best interests of the city.

These interests will not be served if the members of the council (or an individual councilman) establish a pattern of bickering on a personal level. Agreement on every issue would be very bad, as most issues have both affirmative and negative aspects. It is the issues, not the personalities, that should be debated and voted on.

The city administrator is a public employee and the council members are the public's choice to act as his bosses. He is accountable to the people through them. If he is remiss in the conduct of his duties or his office, then action should be taken.

If anyone has a serious complaint against him, that complaint should be brought before council and the matter investigated. Complaints must not be ignored as that provides no answers, no checks and balances, no opportunity to set the record straight.

No employee's image should be tarnished by innuendo or uninvestigated charges. Still, every citizen must be assured that his or her legitimate complaint will be heard.

The fabric of democracy is based on the belief that humans can make rational decisions when the facts are known, and that they learn from their experiences, whether good or bad.

We express the hope that all levels of city government will accept the decisions of the voters and strive to work together responsibly, lay the facts on the table and go forward from that point.

We enjoy freedom of the press so that people can have access to the facts and the dialogues. We can all take it from there and move ahead to build Placentia into a better place to live. We'll all make mistakes along the way but let's face them and learn from them--where do we go if we don't?

Letters To The Editor

Traffic Situation A Concern

Director,
Traffic Safety Committee,
Copy To The Courier:

Dear Mr. Minamide:

Two potentially tragic traffic accidents which occurred on Placentia Avenue near the intersection of Lewis Place have revived concern within the Sierra Vista Elementary School community, regarding the safety of the crosswalk located at the north corner of Lewis Place.

The accidents, which occurred between 11:30 a.m. and 11:45 a.m. on March 31st, define the need for immediate surveys and safety reviews of the stretch of highway along Placentia Ave. bounded by Bastanchury Avenue to the north and Palm Drive to the south.

An informal meeting attended on April 1st by parent representatives who witnessed the accidents, Sierra Vista Principal Barbara Hadzoglon, PTA President Barbara Williams and PTA Safety Chairman Pamela Traylor, disclosed that parents and school authorities are equally concerned about the safety hazard that exists at the Lewis Place/Placentia Avenue crosswalk. Suggested reforms were to request the installation of traffic lights with pedestrian signals, or as an alternative, to request the placement of strategically located Stop signs.

The problem was studied previously by the Traffic Safety Committee last Sept. 26th, and a resolution was passed to include the costs of installing a flashing yellow light into the City's 1976/1977 budget. The light was to be installed along Placentia Avenue between Palm Drive and Lewis Place. Increased traffic flow and motorist behaviour patterns now indicate that such a measure will not suffice in protecting the safety of pedestrians using the crosswalk.

More recently, a request originating from a new resident in the Morning Sun tract, for the City to appoint an adult crossing guard to man the crosswalk, was reviewed by your committee during a meeting held last March 26th. The committee selected to include the item on the agenda of the City Council's next meeting, which is scheduled for April 6th.

A favorable vote will relieve the responsibility presently shouldered by Sierra Vista sixth graders. It should be emphasized however, that the appointment of an adult crossing guard will not solve the fundamental safety hazards that exist at this location.

It would be appreciated if you would take this matter under advisement and instigate whatever action is necessary to correct the problem before injuries or fatalities occur.

Sincerely,
Daphne Erikson,
Placentia

Drill Team Show Planned

Dear Sirs:

The El Dorado High School Drill Team will be presenting it's seventh annual Drill Team Show. It will be presented at the El Dorado gym on Friday April 23 at 8 p.m.

We would appreciate it if your paper would print an article advising the public of this event. The proceeds from the show will be used in aiding the Drill Team's participation in parades throughout Southern California.

Tickets for the show will be $1.50 for adults and $1 for children and students with ASB cards. The show this year will be entitled "Now That's Entertainment" and will feature original routines choregraphed to such music as "Singing in the Rain," "No Business Like Show Business," and "Sweet Georgia Brown."

Thank you for your consideration in publicizing this event. If further information is needed please call El Dorado High School and ask for the Drill Team advisor, Mrs. Szczotka.

Sincerely,
Dianna Amorde

Girls Sports Slighted

Dear Editor:

While reading your last issue, February 11, the sports section was lacking coverage of local girls' high school athletics, although the boys' athletics were covered to a great extent.

I am sure there are other readers who agree that the girls' athletics should have equal coverage. There have been many exciting volleyball and basketball games and track and softball seasons are coming up soon.

Your newspaper's sports section would be of much more interest if girls' athletics were included on a regular basis.

Sincerely,
Leslie Jones

UNIQUE SCULPTURE is a 7-foot cross made entirely of nails and now on view at the Redeemer Lutheran Church in Placentia. The work of art was created by Richard Anderson a teacher at Cypress High School and presented to the church.

Unique Cross On Display

BY EDITH SJOLIN

A "Cross of Nails," designed and made by Richard Anderson, was recently presented to Redeemer Lutheran Church, Placentia. An unusual nail sculpture stemming from Jesus' suffering on the cross, the sculpture is made of nails signifying the strength of Christ while dying in crucifixion. There is also an inner cross signifying the inner religious strength of man.

Anderson is a teacher at Cypress High School currently teaching jewelry and advanced drawing. He has held several one-man shows presenting many varied art forms including jewelry, paintings, graphics as well as nail sculptures.

His interest in nail sculpturing evolved from teaching mosiacs and looking for an original art form. He started experimenting with nails, creating several flat pictures.

He entered his nail sculptures into several shows and received an excellent reception to his interpretive method of utilizing nails. He then decided to do something "in the round" and created the massive seven foot cross.

Former Mayor Machado Dies From Cancer

George C. Machado, 51, former mayor of Yorba Linda and author of the city's General Plan, died Friday after a three year fight against cancer.

He served in various capacities in city government from 1968 through 1974 when poor health forced him to retire from public life.

Memorial services were held Sunday at the Yorba Linda United Methodist Church with cremation following.

He is survived by his wife Barbara Jean and three children, Michael, Douglas and Carrie, all of the home address; his father and a sister.

Machado, a native of Santa Barbara, had lived in Yorba Linda for 14 years and was a systems analyst at the Autometics Division of Rockwell International.

He was in St. Joseph's Hospital, Orange, at the time of his death.

Elizabeth Peltzer

[Continued from page 1]

"Actually, she has no illnesses. Just arthritis in her back that gives her some pain. But nothing else. She is just slowly failing...simply wearing out".

But Elizabeth Peltzer attended her 100th birthday party, met her four month old great, great grandson, Robert Nicholas Batz of Salem, Oregon and visited happily with other members of her family.

In 1913 her outlook for a long and useful life was considerably in doubt. That was the year her husband Charles moved his bride and their eight children from their wheat farm near Pretty Prairie, Reno County, Kansas, because of Elizabeth's failing health.

They decided on citrus ranching in California, buying the property where Disneyland now stands. They also owned the land now occupied by the Robinson-May Company Shopping Center, fronting on Euclid Avenue in Anaheim. Mrs. Peltzer made her home in Anaheim for 55 years, where her ninth child Vincent was born.

Of her immediate family, two sons and three daughters are living... Olga Peltzer with whom she has lived for the past seven years; Victor of Yorba Linda; Roland of Visalia; Mrs. Eugene (Blanche) Fitzgerald of Ivanhoe and Mrs. Vincent (Charlotte) Eischen of Hemet.

Elizabeth Peltzer has 20 grandchildren, 55 great grandchildren and one great, great grandson. Her husband Charles died in 1958 in his 82nd year.

At her Saturday birthday party, 81 members of her family gathered from a variety of areas in northern and southern California. Guests from furthest away included granddaughter, Mrs. John A. (Dolores) Batz with daughter Anne Marie and her son and daughter-in-law Matthew and Kathy Batz with four month old son Robert Nicholas.

Also from Guadalajara, Mexico, came grandson Robert, who with wife Meri and their three children, live there and engage in cattle ranching and agriculture.

Father George Breslin of St. Joseph's Church, Placentia, said Mass at the birthday party with grandson, Richard of Woodlake reading the Lessons and grandson Milo of Porterville serving as organist.

Overflow guests were seated on the patio under a carousel canopy. Great grandchildren were selected to blow out the 100 candles on the elaborate three-tiered cake.

Five generations of the family ate together.

Granddaughter Cosette brought the most unusual present...a Redwood Tree honoring Mrs. Peltzer will be planted in Big Basin Redwoods State Park. Cosette and her husband, Lt. Col. Nelson J. Sprague, USAF, live in Sacramento.

The guest of honor, 100-year-old Elizabeth, was born Elizabeth Seiwert in New Ulm, Minnesota on February 28, 1876. Her parents were Nicholaus Seiwert of Luxemberg and Maria Porsch of Austria. She grew up in Kansas on her parents wheatland. Elizabeth was the fourth child in a family of 12 and her brother, 82, lives in Colwich, Kansas.

She has lived longer than any known member of her family or her husband's family.

Although she was not able to participate, members of Elizabeth's family continued her birthday celebration to a logical and festive conclusion. Out of town visitors all visited Disneyland, recalling on previous family occasions, they had been there many times before when it was the Peltzer family orange ranch.

Heritage Festival Seeks Rock Group

A new kind of Placentia Heritage Festival Days that may have commercial rides, a professional consultant and perhaps Bo Donaldson and the Heywoods, one of the country's top vocal-instrumental groups, is now under planning by the Festival Days Board of Directors.

An invitation has been extended to Bo Donaldson and the Heywoods and a tentative response "that they will try to work Placentia into their schedule" has been received, Ron Rodriquez, secretary of the local board reports.

The popular singing group once before were Grand Marshals of the Heritage Days Parade when they were scarcely known. They have indicated that they would be happy to make a return visit if their schedule can be accommodated. There was also a suggestion that the group might be willing to play for a dance or a concert.

The board currently is approaching amusement ride companies for further information before any one is selected. Also under advisement are the services of a professional consultant who would act in an advisory capacity for the festival with volunteers still doing the major part of the work for the annual event.

Another new activity anticipated is a Placentia version of the television show, "Almost Anything Goes." Frank Freeman, founder of Placentia Heritage Festival Days, has indicated he will take on the supervision of this event. He headed a recent excursion at Huntington Beach where Placentia won second place in a similar activity.

Concerning the Heritage Days annual parade, there is still some uncertainty as to whether or not the Jaycees will be sponsoring the parade this year, an institution they began, because of their low membership. The club is reportedly not holding regular meetings since former president Larry Maxey was stricken with a severe heart attack and was forced to resign. If the Jaycees cannot perform the parade duty, another club will be sought for the responsibility.

The parade route, which changes every few years, may be in for another revision. The Placentia Police Department does not wish for the procession to use Yorba Linda Boulevard thereby making a major revision in plans mandatory. For the past two years, the parade has used the commercial area on Palm Drive, west of Valencia Avenue for its staging area, moving from Palm Drive to Yorba Linda Boulevard.

The Heritage Board also learned that it has been leased the city's abandoned 1942 Seagraves pumper for $1 a year for use in parades and other functions.

Ed Jones, a local business man and candidate for city council has offered to arrange for housing of the vintage engine and to keep it in running order. The committee has expressed the desire to repaint the fire engine red.

The festival this year will run from October 2 through October 10. The parade date is October 9 and is expected to have a Bicentennial theme.

PUSD Busing Report

youngsters) involves children in special education classes (handicapped, others).

Currently, 74 students are bused to temporary attendance centers: seven from the east to Golden Elementary, Kraemer Junior High School and Valencia High School; 67 from the Ruby/Topaz area to Morse Avenue Elementary. The total mileage is 22 miles a day. The cost is $22 a day.

Approximately 2,361 elementary students are bused each day, 27,048 miles a month or 1,238 miles a day for 65 per cent of the total. Thirteen scools are involved.

About 825 junior high school students are bused each day, roughly 8,323 miles a month or 416 miles a day for 20 per cent of the total. All three junior highs are included.

Approximately 720 senior high students are bused daily over 6,242 miles a month or 312 miles a day for 15 per cent of the total. Valencia and Esperanza High Schools are involved.

Students traveling the longest distances are the special education youngsters who may go as far as 13 miles, traveling from Brea to Orange. Furthest regular busing is approximately six miles from Anaheim to Valencia and Kraemer and nine miles from the eastern part of the district to Golden Elementary.

The shortest busing is about three-quarters of a mile for reasons of safety (no sidewalks). Students are bused to Orchard and to Kraemer and Valencia.

The report states also that busing is a district service with all regulation done through district policy. There is no mandatory legislation concerning it at any higher level.

Chuck Arnoldt Named To Post

Charles "Chuck" Arnoldt, acting coordinator of vocational/career education in the Placentia Unified School District, was named to the position permanently this week by trustees. He had been serving in the post since August.

Arnoldt has been with the district since 1966 as a shop teacher and as industrial arts department chairman at El Dorado High School.

He holds a B.S. degree from Winona (Minn.) State College and his M.S. degree from California State University, Long Beach. He is working in the administrative internship program at Chapman College.

Last school year he participated in the Placentia district's management intern program. He has served as secretary and president of the Academic Senate at El Dorado High.

"Arnoldt has done an outstanding job working with vocational and career education, greatly increasing outside funding for district programs," said Superintendent John Tynes.

Bill Helps Cost Of Bargaining

Assemblyman John V. Briggs (R-Orange County) today announced his co-authorship of AB 2858, which is an Assembly appropriations bill to reimburse school districts for the substantial cost increases they will experience because of the new responsibilities imposed by the new Collective Bargaining Act.

Because of the advent of collective bargaining for teachers, schools will be finding it very costly and will have to divert badly-needed educational monies into the collective bargaining process, Briggs pointed out.

"I think it is the responsibility of the Legislature to assume these costs and not pass them on to the local property taxpayers," said Briggs.

Students Excel In Contest

A team of four fourth graders from the Placentia Unified School District wrote their way to second place honors in the county Pen and Quill handwriting contest recently. They will receive engraved medallions.

Rachel Lerner and Steve Henseley from Golden Elementary, Keith Chapman from Van Buren and Holly Runyon from Orchard tallied a total score of 9,500 of a possible 10,000 points at the county finals. First place team with 9,600 points was from Fountain Valley, and the third place winners were from Capistrano.

Six teams were selected from among 17 in semifinal competition to participate in finals, explained Dorothy Freeman, Placentia's curriculum consultant who coordinated the local district's contest efforts.

Contestants were rated on their writing in dictation, letters, addressing envelopes, transcribing and chalkboard work, in addition to performance posture and other factors.

A fifth grade team from Placentia composed of Wendy Cook and Mike Suetsugu from Golden, Jerry Ferris from Topaz and Joan Mehelick from Orchard also competed in semifinal competition.

This is the first year the Placentia Unified School District has participated in the County Department of Education-sponsored contest. Next year sixth graders will be included in the competition, Mrs. Freeman said.

RELIVING HISTORY - Rose Drive School 6th gradess Kim Murray [Freedom], Kristen Sims [Justice] and Susan Rodriquez [Equality], represent the symbols of why the Revolution was fought. Fifth grade teacher Lucrelle Tucker coordinated the Bicentennial Play and Pageant Exhibit which was summed up by the three symbols.

Minute Man At Rose Drive

What do you do when United States history seems dull and irrevelant? Get a Minute Man to help you! That is what John did in a bicentennial play presented at Rose Drive School on Thursday night, April 1.

Accompanying the Minute Man, played by Tony Amity, were other heros and heroines of the American Revolution to make history come alive to John, played by Craig Jennings.

Other parts were played by David Mosley, Patrick Henry; Rick Nelson, Thomas Jefferson; Kevin Dahn, Paul Revere; Susan McNamara, Martha Washington; Kim Murray, Freedom; Kristen Sims, Justice; Susan Rodriquez, Equality.

The Intermediate Band, directed by Bob Shury, provided overture music for the evening. A primary chorus and an upper grade chorus added patriotic tunes to the program.

The entire production was under the direction of Lucille Tucker, a teacher at Rose Drive School.

The play was preceded by an ice cream social and exhibit of bicentennial projects from all the classes of Rose Drive School.

Festival Seeks Members

Placentia Heritage Festival Committee, an organization of city residents, is planning the biggest, best Heritage Days Festival ever!, the group said this week.

Heritage Days are held annually in the month of October, and consist of week-long activities including a picnic-in-the-park, evening activities, contests, games and finally, concluding with a parade.

The Bicentennial Year and Placentia's Fiftieth Anniversary promise to make this festival one that Placentians will remember fondly for years to come.

In order to make a city-wide event happen, people are needed - the Heritage Days Festival Committee meets regularly on the second Thursday evening of every month at Koch Park from 7:30 p.m. to 9:30 p.m. The Heritage Festival Committee is comprised of both individuals as well as representatives of various city organizations. This year, committee members are also planning several social functions throughout the year in order to foster more of the atmosphere necessary to carry off a very successful celebration.

If you happen to be a person who likes to be involved, please call Dick Samp, president, at 993-8184, or Peggy Dracoules, vice-president at 630-7990. They'll be glad to hear from you!

YOUR Pharmacist SPEAKS

By John Payne,
Owner - Reg. Pharmacist
LINDA VISTA PHARMACY
Not many years ago, tuberculosis patients spent a year or more in a sanitarium, hoping that rest and proper diet would cure the disease. That was before today's effective drugs which cut treatment time to only a few weeks.
In fact, tuberculosis could be eliminated as a world health problem if it were not for the primitive health care systems of the backward nations of the world. The key to TB control is identification and treatment of both active and inactive cases of infection. In nations without the facilities or the funds for detecting TB, it remains a deadly killer.
Your prescription will be filled promptly in our modern pharmacy, famous for friendly service. LINDA VISTA PHARMACY supplies free coffee in our comfortable waiting room, even though the wait is always brief.
HANDY HINT: Soak washable clothes in a strong salt water solution to remove perspiration stains.

ROLLER RALLY -- Nana and Rosa Hauserman and Lisa Erikson take time out at the rink to remind skaters of the upcoming Sierra Vista skating party.

Sierra Vista Goes Skating

Plans have been announced for Sierra Vista PTA's final roller skating parties for the current school year. Due to overcrowding at the January party, the PTA Board has decided to divide the events alphabetically, according to the first letter of each family's surname.

Families whose surnames begin with letters A through M should plan to attend the first party on Monday, April 19th. Families N through Z may attend their party on Tuesday, April 27th. The events will be held at Roller Village Rink, 464 W. Commonwealth Avenue, Fullerton, beginning at 6:30 p.m. and ending at 9:30 p.m.

Tickets are to be purchased on arrival at the Rink. The cost of $1.25 inoludes skate rentals.

As previously, all profits from the parties will be used to implement the PTA's Assembly fund, which has been responsible in recent months for bringing such cultural enrichment programs into the school, as Murray Holt's Space Exhibit, Diamond Bar Children's Theatre's presentation of "Cinderella," and Mrs. Virginia White's turtle and tortoise display.

Textbooks On Display At McFadden

All textbooks which have been recommended for use in junior and senior high schools in the Placentia Unified School District next year will be on display through May 7 at the Instructional Materials Center at McFadden Elementary School, 974 S. Melrose.

Eighty-five books ranging in subject matter from business education to Spanish are available for public viewing and comment at the IMC, which is located in Room 306, according to Steven Tash, IMC coordinator.

Following the 30-day public inspection, the list will be presented to the district board of education for formal adoption on May 10.

The public is invited to look over the books from 8:30 a.m. to 4:30 p.m. Monday through Friday through May 7.

Swim Sessions

The swimming pool at Esperanza High School, operated by the Anaheim Recreation Department, will be open between 1 and 4 p.m. on April 15, 16 and 17. Prices will be 35 cents for children and 50 cents for adults.

KATIE'S COLUMN or DOWN ON THE FARM by Kay Starr

The California Board of Forestry held one of their rare southern area meetings in Riverside this week. Listed on the page of information about the meeting was an invitation to join the board members on a tour of specific areas in this southern region.

Curious as I am about our countryside, I accepted the invitation and found myself on a California Division of Forestry bus next to a former area forester, and a good friend, Ed Martin.

We struck out for Banning for our first stop of 9 stops at the Beaumont CDF Ranger station. After coffee and doughnuts we began the real tour, using the back roads that the men manning the fire lines or constructing the fire breaks use.

I wasn't exactly terrified, but my right arm muscles are very sore from gripping the seat in an attempt to mollify myself into a more placid attitude. Only once was I really worried as the bus wheels caught in a rut and slid a bit.

I know we did not see the most rugged terrain in the world, nor the most desolate, but we did see man's two sides - destruction and construction. According to Dave Flake of CDF man causes most nearly all of the fires occuring in our southern region, which extends from Ventura County south through Los Angeles, Orange and San Diego over to Riverside and San Bernardino.

A very few fires happen from lightning. The job, as these CDF and U.S. Forest Service men see it, is to reduce the severity through prevention which is man's constructive way. Research projects conducted along the firebreaks and as a part of the fire prevention consist of three-fold plans.

Brush is removed mostly by hand labor, chemicals are sprayed in the break area to control the plant growth and studies of various types vegetation are made. High water retention, fast regrowth, all parts of a plant are studied with an eye to how successful it will be in a break path.

Lunch was served at the Pine Cove station at Idylwild - prepared by the men on duty, including a delicious applesauce spicecake. They promised me the recipe. Also discovered one of the service foresters is growing a patch of Christmas trees and another service forester was born and raised in Placentia.

One of the board members will be a host to the Christmas tree growers at our May meeting in Calaveras County. So it's a small world and a fascinating world, and full of the most delightful sights such as the snow capped peaks of San Jacinto Mountains.

Our final stop was at the Ryan Air Attack Base in Hemet. This base, jointly operated by the California Division of Forestry and the U.S. Forest Service, maintains the tankers that are used in rapid control of fire outbreaks. Without the tankers, the town of Idylwild would be a heap of ashes after last year's Soboda fire.

Fire prevention is everyone's job, but we are fortunate to have the CDF.

Off To The World Hairstyling Championships 1976

Mr. Ricardo is off again to New York City for the World Hairstyling Championships being held for the first time here in the United States. Also going from the staff of Ricardo's Hair Design in Anaheim Hills is Nellie Crisante and Ursula Krumnow which should prove to be an enlightening experience in that professional techniques of cosmetologists from countries throughout the world are to be presented - 28 nations in all are to be represented. This symposium is to consist of the latest in fashions in men and women's haircuts and hairstylings of the international as well as domestic creations.

When that's all over Ricardo gets back to work before leaving New York City since he is scheduled to give demonstrations for his colleagues there as he has in the past, then back to Orange County, his staff and patrons in Anaheim Hills where he'll share new found techniques and creations. In the meantime Nellie and Ursula will be off to "Jolly Old England" for more exposure to the latest in hair fashions which influence the trends of our styles and of course for some rest and relaxation.

Edison has over 80 conservation tips. Here are a few.

MAKE EVERY KILOWATT COUNT.

EASY WAYS TO SAVE MONEY.

Use your appliances wisely.

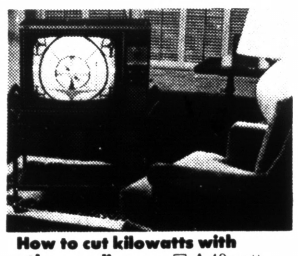
Two years ago, just about everyone realized our nation had energy problems. Today, some people aren't sure those problems still exist.

They do. Our country's energy problems are still very real. And the imported low-sulphur fuel oil required for generating electricity is extremely expensive. So, it makes sense to save our country's energy. And our energy-saving suggestions can save you money, too.

Don't forget to turn off the TV. Even if you just plan to be out of the room for a short time, shut off the television. It only takes a second to turn it back on.

If you own two TV's, get the family in front of one as often as possible. No sense having the same program on two sets.

Also, if your television has the "instant-on" feature, pull the plug when you're done watching. That saves energy, too.



How to cut kilowatts with other appliances. ☐ A 40-watt fluorescent lamp will produce more light than a 100-watt incandescent bulb, and costs you less for energy. But whatever kind of light you use, don't forget to turn it off when not in use.

☐ In your washer and dryer, launder only full loads. And you can use warm water instead of hot for almost all your clothes.

☐ Unless you have a dishwasher, you generally don't need the 140°-150° setting on your water heater. Often you can use an energy-saving 110°-120°.

☐ Normally, it takes less hot water for a shower than a bath. If you take a shower, make it a short one. Or use less water if you take a bath.

☐ Repair leaky faucets. Wasting water wastes the energy to pump it to your home. And hot water wastes even more, the energy used to heat it.

☐ Avoid opening your refrigerator or freezer unnecessarily. Instead, remove the items you need at one time.

Free conservation booklet. For more of Edison's ways to conserve energy, write for our free booklet: "Conservation," Edison, P.O. Box 800, Rosemead, CA 91770.

Godinez Directs

John Van Druten's "I Am A Camera" will be staged April 21 through 24, Wednesday through Saturday, by the Fullerton College Acting Workshop.

Bringing into focus in touching scenes the plight of the Jews in Germany in the early 1930's, the free presentations will have 8 p.m. curtains in the Studio Theatre on campus.

Under the leadership of student director Becca Godinez, Placentia, the production has Robert Caudill, Brea, in the leading role of Christopher Isherwood, the narrator and "photographic eye of the camera."

Miss Godinez is assisted by Rosemary Berg, Whittier.

Although there is no admission charge, tickets are required. Reservations may be made by phoning 871-8000, Ext. 77, weekdays from 8:30 a.m. to 3 p.m.; or they can be picked up during those hours at the Fullerton College Theatre Arts Department Box Office.

Troy Club Meets

The Orange County Fire Department, under the direction of Capt. Chuck Pister will present a program to interest all at the Yorba Linda Troy Club.

The captain will speak on home fire safety, first aid, pool safety and conduct a question and answer period. Troy Club is located at 5831 Lynbrook Plaza. Everyone is invited on Wednesday, April 21 at 7:30 p.m.

Handbell Ringers Perform

The Handbell Ringers of Bernardo Yorba Junior High School, under the direction of their music teacher Mrs. Carol Reynolds, recently put on a program for Orange Blossom Lodge of the Vasa Order of America, which is a lodge whose members are of Swedish birth or descent.

Besides their own repertoire of classical, folk, spiritual songs and hymns, they practiced hard to be able to beautifully play Swedish folk songs and the Swedish national anthem.

The eight bell ringers performing that evening were Blake Miller, Mark Tinkle, Darla Black, Harlan Harris, Jody Jones, Gretchen Smith, Kerrilyn Korn and Matt Simonsen.

Orange Blossom Lodge meets the first and third Friday evenings each month in the Assistance League Hall in Anaheim. Anyone interested in details may call the lodge secretary, 535-0307.

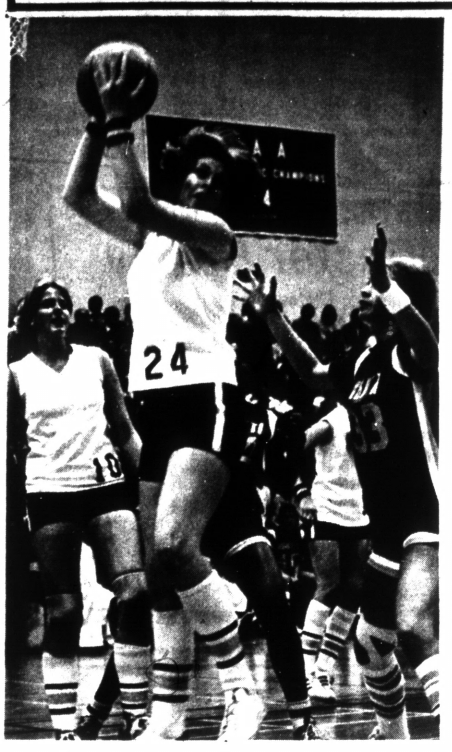
SPORTS



REBOUND Carol Groth smiles with relief as Mindy Ogg [24] brings down another rebound as Hawks get scoring under control Saturday evening in CIF finals. The girls become El Dorado's third CIF champion team this year.

Girl Hawks Win CIF Crown

The El Dorado Girl Hawks flashed through the maze of CIF playoff games, to grab the CIF 3-A girls' basketball crown before 2,000 paid customers.

The game, the end of a 20-1 season for the El Dorado team, was played at California State University at Fullerton.

Defeated by a score of 65-40 was Righetti of Santa Maria.

The Hawks began slowly in the contest but gained momentum near the end of the first quarter. From that time on, the girls built steadily to their title.

Mindy Ogg caught 13 rebounds and Carol Groth 11 with Carole and Nancy Michelle finding the basket frequently from the outside corners. The total for Groth was 22 points and for Nancy Michelle, 16, Carol Michelle, 10.

The game was a climax to the semi-finals with a second Placentia team, Valencia High School in the running then. Righetti defeated Valencia and if Valencia had won, the final contest would have been between the two local teams of the Tigers and the Hawks.

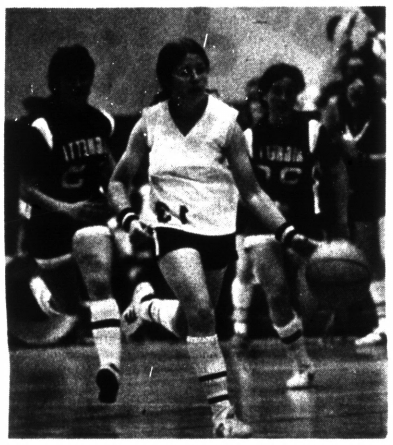
Valencia, however, lost the semi-finals at Dos Pueblos High School in Goleta, on the short end of the 50-43 tally. The Tigers ended their season with the game played just north of Santa Barbara and an 11-3 record.

The Hawks, however, won their semifinal against Santa Maria with a 57-41 decision. Carol Groth led the game with 20 points.

Both of the local girls teams battled through their quarter final games with El Dorado besting Quartz Hill 62-48 and Valencia topping Upland, 57-52. The Tigers, playing in their own gym, were led by Karen Kibby and Kathy Ricks, each with 20 points. Kari Tebay had 10 rebounds and nine points in the contest.

The Golden Hawks also playing at home, saw outstanding games by the Michelle sisters, Carol and Nancy. Carol Groth led the scoring with 23 points.

The Valencia girls beat Hawthorne in the second round of games and the Hawks conquered the Schurr Spartans 63-30.



FAST BREAK-Nancy Michelle takes advantage of a turnover to dash down court and score on the fast break as the Hawks take CIF crown.

St. Josephs Sets Records

The ninth annual Junior Olympics were held Saturday at St. Joseph's School in Placentia.

Winners receiving trophies included the trophy for the most valuable athlete to Stephanie Altavilla, 8-A for the girls and co-champions Joey Hoguin, 6-B and Tim Faley, 8-A for the boys.

The trophies for the classes scoring the most points in their divisions went to the 1-A in the lower section and 7-A in the upper.

Records that were broken included Tim Faley in the 200 in 25.9, a previous three year record and the 100 yard dash in 11.0.

Joey Holguin tied the existing record of 12.4 and ran the 330 in 42.2 breaking a two year record.

Don Aldanaz jumped five feet, becoming the sixth jumper to go that far.

Hawks Now On Second

The El Dorado Hawks have pulled into second place in the Orange League baseball race, by beating Brea-Olinda 4 to 1 and passing Esperanza on the way.

Esperanza lost to across town Valencia 10-6, moving a half game behind the second place Hawks.

Sonora is still leading the pack with an undefeated season so far. El Dorado is still 3½ games behind the league leaders.

Dan Petry pitched the Hawk's game and struck out nine and walked three, giving up four hits. Pat Vizenor hit a homer. Tom Hazen, Jack Ayer and Todd Peterson singled. Ron Grace hit a single with the bases loaded.

It was the first win for Petry in league play.

The Hawks earlier had beaten Esperanza 4-3. In that game, Jim Hayek tripled home a run and Pat Vizenor brought him home with a single.

Tom Hazen struck out six and walked six. Other action in the game included Todd Peterson's single which brought Hazen home and Frank Taylor's single which produced a run.

Ferguson Runs For Olympics

Todd Ferguson, Esperanza general science teacher, is now in training to run in the long distance event in the 1976 Olympic games to be held in Montreal, Canada.

An alternative plan is to enter the 1980 Olympics in Moscow, Russia.

Ferguson is a member of Athletics in Action sponsored by the Campus Crusade for Christ, headquartered in Tustin.

Self taught, Ferguson says he has always been a runner. His workout schedule includes a 6 a.m. run with the Esperanza track team; afternoon speed workouts with the track team and at least two, five to eight mile runs during the week.

On the weekends, Ferguson, accompanied by four or five teammates, takes long distance runs, usually at least one 20-mile trek on Saturday mornings.

The teacher-athlete explains that each country may have a maximum of three marathon runners in the Olympics. Over 300 athletes have already qualified for the Olympic tryouts to be held near the end of school at the University of Oregon in Eugene. Ferguson will attempt to qualify soon.

The United States has the defending Olympic marathon team in distance running. At the last Olympics, the first place U.S. runner ran the distance of 26 miles, 385 yards in two hours, ten minutes. The third team member finished ninth, completing the run in two hours 13 minutes. It is unusual to have all team members finish so close together, Ferguson states.

Ferguson also is a member of the Placentia Unified Education Association (PUEA) and is their building representative.

OLYMPIC HOPEFUL - Todd Ferguson, Esperanza High teacher, has hopes of making the U.S. Olympic team as a marathon runner. He practices and works out at the school daily. He must qualify by May 1.

Tennis Play For Kids

The Fourth Annual Charity Tennis Tournament to benefit the Children's League of Fullerton, Inc. will be held April 24 and 25, May 1 and 2 at the Sunny Hills Racquet Club.

Matches will also be played at the Tennis Center of Fullerton. All matches will be between 9 a.m. and 3 p.m.

There will be competition in women's doubles, men's doubles and mixed doubles in Open, A, B, C and D classes. Deadline for entries is April 10 and entries are limited to 400 teams. Silver awards will be presented to winners and runnersup.

The fee is $10 per player, per event and is tax deductible. The Draw Party and exhibition matches will be played April 23 from 7 to 9:30 p.m. at the Sunny Hills location. For further information and registration call 879-3724.

Proceeds of the tournament will be used for continued maintenance and upkeep of the League owned multi-purpose building complex located at 2050 Youth Way, Fullerton.

The League's Children Center was used by more than 40,000 people, mostly children, in 1975 for programs designed to assist the youth of the community and the county.

Children's League is a non-profit women's service group dedicated to identifying and responding to unmet needs which enlarge opportunities for children.

FOOT ON BAG until pitch passes plate is a Little League requirement exhibited by Tim Green of the International (Clinic) League Panthers. Tim reached first on a base hit in team's first game on Opening Day of the Yorba Linda Little League.

Hornets Soccer

With the acceptance of soccer as a South Coast Conference sport beginning in the fall of 1976, Jim Pasquale has been selected to continue as the Fullerton College coach.

Pasquale has directed the Hornet non-conference soccer program for the past four years and has run up a record of 52-28.

"We are expecting to do very well in the SCC now that soccer has become a recognized sport," said Pasquale.

South Coast schools that plan to field a team for the '76 season are Cerritos, Fullerton, Grossmont, Mt. San Antonio, Orange Coast, and Santa Ana.

Fast Pitch Openings Available

The City of Placentia Recreation Department is in the process of organizing the coming summer Adult Softball Leagues. At this time the Slo Pitch leagues are filled, however two teams are needed in the Fast Pitch competition to complete this division.

Entry fee for Fast Pitch is $190. League play to begin mid-May and end late in August. All games will be played on Thursday and Friday nights at McFadden Softball Field.

Entries will be accepted on first-come, first-serve basis and evaluated on an overall point system, 5 points for City-sponsor and 1 point for each player residing in the City of Placentia. Deadline dates for registration will be Thursday, April 15.

YMCA Basketball Awards

The YMCA finished its first Youth Basketball season with an awards ceremony Thursday night, April 1st. Mel Sims, CS Fullerton assistant basketball coach, spoke at the event and 138 awards were presented.

Twelve teams participated in the Yorba Linda League this year and 105 individuals received participation awards for playing the entire season. 12 youngsters, one player from each team received most improved player ribbons and 12 also received sportsmanship ribbons.

Because the purpose of the league was to learn basketball skills and develop sportsmanship, these aspects were rewarded. There were no awards for team champion or best player.

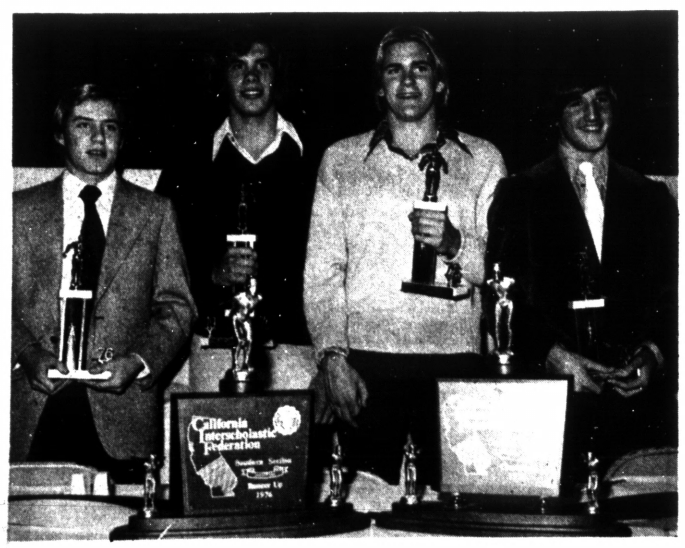
Special awards were given to three men who served as a coordinating committee and helped organize the league.

The three men were: Todd Murphy, a teacher at Fairmont who was given an honorary YBA basketball for his work in organizing six teams at Fairmont; Bob Perkins, teacher at Glenknoll, and organizer of three teams at that school; and Nick Cannis, who worked with "Y" personnel for two months before the season in order to develop the structure of the league.

Four organizations and businesses were given placques of appreciation for donating $100 or more to purchase uniforms and equipment. Because of their generosity the league price was kept low and did not eliminate any youngsters.

These sponsors were McDonalds, Canyon Nursery (Bob Sandoval), The Copy Shoppe (Les and Mary Landers) and the Junior Women's Club of Yorba Linda.

The final award was a drawing which gave a $100 discount on a $160, 5 day basketball camp directed by Sims. The winner was Craig Roberts who left a very happy young man.



HONORED HAWKS Getting special recognition at El Dorado's Swimming banquet were [left to right] Rob Birchfield, most improved varsity; Roy Cedarstrom, swimmer of the year; Jay Bickford, performance; and Andy Sweet, most improved frosh-soph. The big CIF trohpies are for second place varsity in CIF, and first place frosh-soph CIF relays. The aquatics program produced the CIF champions in water polo last fall.

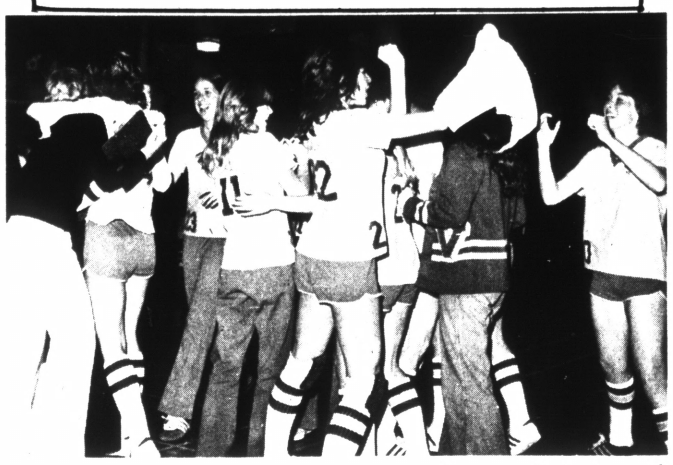
SPORTS



VICTORY Valencia Tigers enjoy the thrill of victory in the quarter finals. Among the victorious girls are Kari Tebay, Michele Normandou, Kathy Ricks, Val Schmidt, and Jenny Stoner. The girls played an outstanding game, and then got beaten in semi-finals, which makes them tied for third as there are no consolation championships. Placentia has some great girls in basketball!

Hawks On Top Of Tennis

BY BRIAN HILDERBRAND

Expanding their league record to 9-0, with the help of singles players Tim Kilker and Blake Von Sprecken, and the doubles teams of Brett Bittel and Chris Buck and Paul Howers and Tracy Pierson, the El Dorado tennis team reamins on top in Orange League, beating Brea by a score 25-3.

With but six matches on the slate for the Hawks, they seem well on their way to another league championship, and a berth in CIF.

Tim Kilker, El Dorado's number one singles player, is certainly the Hawks' biggest asset. In 16 matches, he has failed to give up a set. His sets-won record now stands at 64-0, and is considered the best singles man in the league.

Against Brea, Kilker beat Bevard, Stone, Smith and Stevens by scores of 6-3, 6-1, 6-0, and 6-1.

The number two singles player, Blake Von Sprecken also swept his match with the Wildcats by scores of 6-2, 6-1, 6-1, and 6-2. Von Sprecken is a junior, and will be pacing the team next year.

Both of ED's doubles teams ended the day sweeping Brea. The Bittel-Buck duo beat the Putnam-Affeldt combo by scores of 6-3, 6-3, and the Riskey-Kaltenbach team by 6-2, 6-2 scores.

The team of Hower-Pierson also swept the Putnam-Affeldt and Riskey-Kaltenbach teams by scores of 6-4, 6-4, and 6-0, 6-2.

Number three singles player, Steve McAllen, went two-for two against the Wildcats. McAllen beat the second and fourth players by 6-3, 6-1 scores, but lost to the one and three men by 2-6, 5-7 scores.

Rob Gourley, a sophomore, went three-for-one on the day, beating the second, third and fourth players by tallies of 6-0, 6-4, and 7-6. He lost his only set to the top singles player by a 3-6 score.

The team will break for Spring Recess, and return to the courts against Canyon next Tuesday, and Valencia on the next day.

SINGLES

Kilker (ED) def. Bevard 6-3, def. Stone 6-1, def. Smith 6-0, def. Stevens 6-1.

Warriors Win Four Straight

BY SCOTT EMBLIDGE

After an unfortunate start, the Troy High School baseball team has improved its record to 5-3 with the aid of four consecutive victories.

With both improved hitting and excellent pitching, the Warriors are beginning to look like the team they were expected to be.

The two most recent victories on the streak came last Tuesday evening in a 10-0 thumping of Buena Park and Friday with Troy handily disposing of Sunny Hills 6-3.

Only three Buena Park batters reached base in the 10 run, six hit shutout by Warrior hurlers Dennis Doyel and Mark Marshburn. Doyel and Marshburn struck out eight batters without walking one between them.

The Warriors were all over the base paths on offense too, collecting 15 hits, including a two-run homer by Eric Burgesen. Third baseman Burgesen went 4 for 4 with four runs batted in and lifted his season average to .428.

Catcher Jeff Knox had three hits and scored two runs while boosting his season average to .380.

Troy took a quick 3-0 lead against Sunny Hills and never fell behind for the duration of the game with Ron Moore picking up his third straight win for the Warriors on the mound. Doyel helped Moore get out of some late game trouble when the Lancers tried to make a late charge.

Troy collected eight hits in the 6-3 victory with two big hits by center fielder Keith Rokosz. Rokosz slammed a double in the fourth inning to knock in a run and whacked a one-run homer in the fifth. He scored second baseman John Feary with a bunt in the seventh, also.

It appears now that the Warriors are going to make a serious run at the 7-1 Fullerton Indians while 6-2 La Habra also should be a big factor in the race.

Pop Warner Has Important News

The Orange Empire Conference of Pop Warner Football at a special meeting last week adopted a new division, passed a new set of age and weight rules which will be in effect with the 1976 season.

At the same time the Athletic Director of Placentia-Yorba Linda Pop Warner announced that registrations for the 1976 season in the area will be held very soon.

The new division will be termed the Mighty Mite division. Only boys who are playing age 8 and 9 years old and who have never participated in contact football before will be eligible to participate in this division. The weight limits will be from 50 to 80 pounds.

All of the officials of the Pop Warner organization here are very enthused over this new division because there are so many boys who fall in this category who, prior to this time, had to compete with boys with one or two years experience and who because of this would not get to play and would sit on the bench.

Now these boys will compete with other boys on equal terms. In addition one of the rules which will be effective with this division is that EACH BOY MUST PLAY AT LEAST ONE QUARTER.

Other programs have a similar division, but there is no mandatory play rule. In the Mighty Mite division there will be no standings kept and teams will not participate in post-season championship games.

Pop Warner officials feel that now boys who are getting their first exposure to contact football will really get to enjoy it as they will definitely get to play and they will play against boys who are also experiencing their first taste of tackle football.

This should provide for a very balanced league and a lot of fun for all the boys in that division.

At the same meeting the Orange Empire Conference adopted a new age and weight schematic which will drastically effect all of the cities in Pop Warner football including Placentia-Yorba Linda. Below is a chart of the new ages and weights which will be followed:

Division	Ages	Division Weight Range	Weight at Certification Day							
			8	9	10	11	12	13	14	15
Mighty Mite *	8, 9	50-80	50-80	50-80						
Junior Pee Wee	9, 10, 11	50-80		50-80	50-80	50-64				
Pee Wee	9, 10, 11, 12	65-95		81-95	81-95	65-95	65-79			
Junior Midget	10, 11, 12, 13	80-110			96-110	96-110	80-110	80-89		
Midget	11, 12, 13	90-125				111-125	111-125	90-125		
Bantam **	12, 13, 14, 15	121-150					121-150	121-150	121-150	121-150

*First year boys only

**No Bantams in Placentia-Yorba Linda Orange Empire Conference

A great deal of study by all city presidents in Pop Warner football and their boards went into this schematic. The biggest single influence in passing the program was a computer study of 23,250 boys in the Arizona area where this program was operated from 1972 through 1975.

The rejection rate of boys under this schematic dropped from 8.6% to 2.2%. By rejection rate it is meant that a boy was not able to play because he was too old and too light to play under the old age and weight schematic.

This means that in Orange Empire Conference 201 additional boys will get to play who would not prior to this. This translates to about 20-30 more boys in the Placentia-Yorba Linda area who will get to play.

Officials of the Placentia-Yorba Linda Pop Warner Board are very excited over the new program and are very anxious to put it into full operation this season. Reasons for rejection of boys under the old program were that they were either too heavy or too light for their age.

The 125 maximum in the Midget division represents a five pound increase from previous years, which city presidents felt was necessary due to the great increase in growth over the years of the 12 and 13 year old boy.

Athletic Director Bert Williams of the Placentia-Yorba Linda Pop Warner Youth Football Board announced that registrations for the local organization will take place at Rose Drive School, Rose Drive, just north of Yorba Linda Blvd. in Yorba Linda on the following dates and times:

Pop Warner. . .

[Continued From Page 7]

Wednesday evening, April 21 - 6 to 9:30 p.m.
Saturday, April 24 - 9 a.m. to 3 p.m.

These two days are for returning Pop Warner boys only.

Wednesday, Arpil 28 - 6 to 9:30 p.m.

Saturday, May 1 - 9 a.m. to 3 p.m.

These two days are open registrations for all boys.

All boys registering will be required to bring one parent and also his birth certificate for age verification. Parents should be aware that Pop Warner football for youth is a NO CUT program.

All boys who register will be placed on a team and will not be dropped from that team for any reason unless the boy himself wishes to drop.

Physical examinations for all Pop Warner boys which are required will be held sometime in late Spring at a date and place to be announced. Practice for all Pop Warner teams will being on Monday, August 2. Time and place of practices will be announced later.

All members of the Pop Warner organization here in Placentia-Yorba Linda are very proud of the progress of the youth football program in the local area. The acceptance of Pop Warner locally has been outstanding and the program has grown in leaps and bounds with each passing year.

No plans one way or another for expansion have been made for the 1976 season, except that plans to put on a Mighty Mite team are very much in the works.

Cadet Paul Gant who attends Missouri Military Academy in Mexico, Miss. received a varisty basketball letter at the school's recent winter sports banquet. He is now competing in track with the varsity team. Gant is the son of Mr. and Mrs. Roy Gant of Yorba Linda.

Emblem Club Ceremony

"Spirit of '76" was the theme for the Institution and Installation of Placentia-Yorba Linda Emblem Club #498.

The ceremonies commenced at 3 p.m., Sunday at the Orange Elks Lodge, 211 E. Chapman Ave. in Orange. The members of Chapter #498 were assisted by Fullerton Emblem Club #469.

The Institution and Installation of officers was presided over by Clara Miller, Past Supreme President, Burbank #86. Supreme Officers who assisted Ms. Miller were as follows:

Dottie Camron, Supreme first Vice President; Betty Parsons, Supreme Chairman of Trustees; Nadine Burns, Installing Marshall; Mary DeRose, Supreme fourth Assistant Marshall; Vera Ruby, Supreme Assistant Chaplain; Lois Kutich, Supreme Assistant Organist; Jan Briley, Supreme Press Correspondent; Betty Adams, Supreme Historian and the Supreme Installing Suite.

The welcome and introductions were conducted by Supreme District Deputy.... Ida Van Keirsbuck.

The honored guests of the Placentia-Yorba Linda Emblem Club included:

Hazel Garrety, Past Supreme President; Mildred Fenner, Past Supreme President; Jeanene Swaggerty, Past Supreme President; Robert E. Davis, Exalted Ruler Placentia-Yorba Linda #2536; Dan Bradford, Exalted Ruler Orange #1475; Carolyn Ewing, Past Mayor Yorba Linda; Henry Wedaa, Mayor Yorba Linda and Robert B. Lyons, Mayor Placentia.

The following women have been installed as Charter Officers of Chapter #498:

Lois Davis, President, Placentia; Donna Sallabedra, Vice President, Yorba Linda; Terri Bell, Financial Secretary, Placentia; Carole Nixon, Treasurer, Placentia; Vivian Plett, Recording Secretary, Placentia; Myrna Hornback, Corresponding Secretary, Placentia; Barbara Barbee, First Trustee, Placentia; Joan Giaconelli, Second Trustee, Placentia; Diane Weinhold, Third Trustee, Placentia; S.J. Magette, Marshall, Placentia; Judy Anderson, First Assistant Marshall, Placentia; Maria Gottberg, Second Assistant Marshall, Orange; Marlea Clawson, Chaplain, Yorba Linda; Philetta Britain, Organist, Placentia; Jan Cook, Press Correspondent, Placentia; Elaine Weidner, Historian, Anaheim; Lois Hundley, First Guard, Yorba Linda and Pat Vaillancourt, Second Guard, Placentia.

Other Charter members who were initiated on Sunday include:

Estella Samaripa, Barbara Sharp, Dorla Jean Speck, Jay Morocco, Linda McMahan, Jean Dixon and Esther Collins.

Special thanks to Fullerton Emblem Club #469 for their assistance in the ceremonies and to Annabel Maizuss for her aide in organizing Chapter #498. Thank you, also, to Orange Emblem Club and the Silhouettes Drill Team of Western High School, Anaheim, for serving as hostesses for this memorable occasion.

St. Jude Guild

"Our Country's Bi-Centennial" will be the theme for the St. Jude Hospital Guild's annual Installation luncheon at the Los Coyotes Country Club, Monday April 12. Social hour is at 11:15 with luncheon at 12:15 p.m.

Fashions from local merchants will be informally modelled throughout the luncheon, and a large variety of door prizes will be offered.

Honored guests will be Sister Jane Frances C.S.J., president; R. W. Harper, vice president and administrator; Father Lawrence Smith, chaplain, and Mrs. Flora Callaghan, asst. administrator of the hospital.

A check representing the Guild's contribution to the Hospital, raised from their varied activities in the past year, will be presented to Sister Jane Frances.

Mrs. Robert Clark, Installing Officer, will conduct the installation ceremony of the 1976-77 Executive Board. Officers to be installed are Mmes. Carl Kalbfleish, president; Vernon Shrader, 1st vice president; John Wardlaw, 2nd vice president; Arthur Gardea, 3rd vice president; Stuart Davidson, 4th vice president; Emmet Wells, 5th vice president; F. J. Serrot, recording Secretary; John Radovich, corresponding secretary; Carl Brehm, financial secretary; Raymond Proster, treasurer; Robert Clark, parliamentarian; Robert Gerletti, immediate past president.

Parking Lot Sale Set

A call for furniture, clothes, books, white elephants and discards has been sounded by The Littlest Angel Guild for its upcoming annual parking lot sale.

The fund raising organization will pick up any donations by residents in the area. For pickup call 528-2681.

Mrs. John Struchen and Mrs. Hal Bracken are acting as Cochairmen of the sale, which will be held April 24, from 9 a.m. till 6 p.m. in the Lakeview Shopping Center parking area at Yorba Linda Blvd. and Valley View in Yorba Linda.

Proceeds of the sale go to Childrens Hospital of Orange County to help defray the deficit incurred by families who cannot afford to pay the full cost of medical care for their ill or injured child.

The Littlest Angels believe it is a great way to help a lot of young people and clean out your garage at the same time. Remember, "One mans junk is another mans treasure".

PARKING LOT SALE--Members of the Littlest Angels Guild of Children's Hospital of Orange County inspect pig pinata, one of the items to be on sale at April 24 event. The members are, from left: Sally Bonner, Darlene Knoop and Anne Barnes.

Just moved in? I can help you out.

Don't worry and wonder about learning your way around town. Or what to see and do. Or whom to ask.

As your WELCOME WAGON Hostess, I can simplify the business of getting settled. Help you begin to enjoy your new town . . . good shopping, local attractions, community opportunities.

And my basket is full of useful gifts to please your family.

Take a break from unpacking and call me.

Terry Harman Is Mrs. Joseph Morris Jr.

Before a white-flowered candle-lit altar, Miss Terry Lynn Harman became the bride of Joseph E. Morris, Jr. Saturday.

The colorful ceremony was conducted at the Placentia Presbyterian Church with the facility almost filled with local and out-of-town guests.

Vows were read by Rev. Robert Prentice with Rev. Dwight Presson assisting.

A reception followed the wedding processional, for 400 guests who were entertained at the Alta Vista Country Club. Music for dancing was provided by John Anello and his band.

The couple is now honeymooning in Las Vegas.

The bride, a former Miss Placentia, was radiant in a long, white, fitted A-line flowing knit gown with a fashioned full train. Long sleeves came to a point and the dress featured a V-neck and standup collar encrusted with pearls. A matching damsel headpiece of quiana and pearls held long and short veils.

The bride carried a bouquet of phaleonopsis orchids and stephanotis with white satin ribbons.

The groom and other men of the wedding party were dressed predominately in straw beige tuxes. The groom wore a Palmbeach Grand Chateau beige tux, beige velvet vest, white and beige ruffled shirt with beige bow tie.

The bride's father, the groom's father and the groomsmen all wore beige and brown tuxes with the jacket in beige and trousers in dark brown. The vest was in brown velvet with a brown bow tie and beige ruffled shirt with brown edging.

Bridesmaids, the matron of honor and the maid of honor were dressed in long A-line sleeveless soft knit melon colored dresses with chiffon caplets, that surrounded their shoulders and tied in bows at the back of the neck. They carried sonya roses and white daisies fastened with melon satin ribbon.

Attending the bride were her sisters, Mrs. Sharlene Falkowitz from San Jose and Dorene Harman, Placentia. Bridesmaids included Lynnda Snyder, Yorba Linda; Mrs. Kim Matas, Fullerton; Mrs. Bonnie Hoffman, Corona and Mrs. Cynthia Smolka, Huntington Beach, (who was Miss Orange County in 1972).

Best Man was Bill Bellerose, La Habra and ushers included, Ken Owens, Yorba Linda; Jim Williamson, Brea; John Morris, La Habra; Chris Morris, Anaheim; Bob Falkowitz and Roger Falkowitz of San Jose.

The flower girl was Mindy Morris and the ring bearer, Michael Morris. The guest book attendant was Robin Falkowitz. Organist for the ceremony was Rick Hoffman and soloist Kenneth Smolka.

The bride's mother wore a pale green chiffon, medium length flowing gown with a cape and the bodice encrusted with pearls. The groom's mother was dressed in a blue melon green long gown of voile with matching floor length cape with deep ruffles.

An aunt, Mrs. Mabel Barron was a special guest and wore a long green knit dress with chiffon jacket of multi colored greens and melons.

The bride's parents are Mr. and Mrs. Richard Harman of Placentia and the groom's the Joseph E. Morris Seniors, formerly of Anaheim and now of Pittsburgh, Pennsylvania.

The bride's father is the owner of Falcon Enterprises in Fullerton and the groom's father is the manager of the Industry Service Division for the world for Westinghouse.

The bride is a former Miss Placentia, Miss Azusa, Miss Orange County and is currently second runner up to Miss California.

The bride will graduate from California State University at Fullerton with a degree in communications and advertising, and the groom, a former employee of the Brea Police Department is currently with the Garden Grove Police and is attending Western State University of Law. He is a graduate of Fullerton College and has attended California State University at Fullerton.

The couple will make their home in Fullerton where the groom has purchased a home.

Reception guests were feted with a large buffet, champagne from a champagne fountain and a four-tiered wedding cake.

Area Clubs Prizes

Mrs. Elbo Diaz, Placentia Round Table, was chosen as second runner up to Woman of the Year at the California Federation of Women's Clubs, Orange District banquet last week.

The Placentia Club also won 13 first place awards, four second places. Yorba Linda Woman's Club won two first places and six second places.

Senatorial Luncheon

The combined Federated Republican Women's Clubs of Brea, Placentia and Yorba Linda will hold a Senatorial Candidates Luncheon, Wednesday, May 12 at 11:30 a.m. at Alta Vista Country Club in Placentia.

Invited guests include Congressman Alphonzo Bell, Bob Finch, John Harmer and Dr. S.I. Hayakawa, all candidates for the United States Senate and John Briggs, Shirley Knuppel, John Lynch and Ruth Dutcher, all candidates for the California State Senate.

Luncheon price is $3.25 per person and reservations can be made by calling Irene Minard, 524-9649; Carol Wolfert, 529-6030 or Charlette Teidt, 528-5807. Gentlemen are welcome.

Home And Garden To Serve Tea

The Home and Garden Section of the Placentia Round Table, will meet Wednesday, April 21 at the home of Mrs. Bertha Gillilan, 3215 Topaz Lane, Fullerton.

The tea will begin at 1 p.m. Plant displays will be the subject of the program. On the hostess committee are Helen Keenan and Eve Millar.

"Peggy's Pointers"

In recent weeks, we have seen much emphasis placed on draperies and window treatments. Perhaps it is because our prettiest time of year is upon us, and as our attention turns outdoors, we also focus on our windows.

There are several things to bear in mind when choosing a window treatment: first, where does the sun come from? If you are planning to use draperies on a window with western exposure and afternoon sun, it wouldn't be wise to use an open-weave fabric unless you plan to pay a large air conditioning bill.

As is always the case in decorating, form follows function. It is important to consider all your needs before jumping into hasty decisions about windows. There are many ways to cover a window. In coming weeks we will deal with the most popular of these- we are also planning a series of free classes in decorating tips- watch for a starting date!

A BICENTENNIAL PROJECT FOR YORBA LINDA

The Nixon Birthplace Foundation
(a California non-profit corporation)

Wants you to help in beautifying and preserving the birthplace of the 37th President.

We need funds to construct an appropriate marker, driveway, parking lot and landscaping at the property now owned by the Yorba Linda School District.

Work will start soon on a marker built with stones native to the 50 states. It will include an appropriate bronze plaque at the entrance to the grounds on Yorba Linda Blvd. It is hoped to have the marker completed by July 4.

By making a contribution, you too, can have a part in this local observance of the Bicentennial.

Plaques will be given to everyone who contributes $50 or more. *Please fill in the coupon below and mail to:*

Open House At Nursery

An Open House for prospective parents and their pre-school age children will be held by the Placentia Community Nursery School on Saturday, April 24, from 10 a.m. to 12 o'clock.

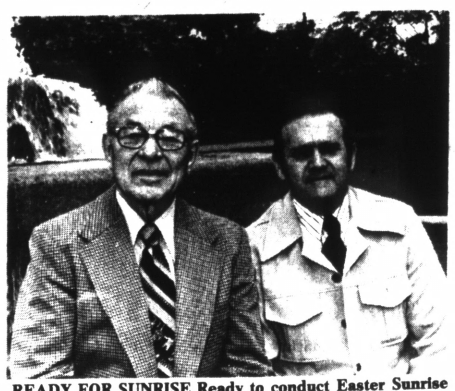
Parents will have an opportunity to become acquainted with a co-op school, to tour the school facilities and to meet with the directors.

A non-sectarian school, Placentia Community Nursery School is located at the Placentia Presbyterian Church, 849 N. Bradford. It is a member of the Orange County Council of Parent-Participating Nursery Schools and is licensed by the State of California.

A parent participation nursery school is one in which the family shares in the planning and operation of the school under the direction of qualified teachers. Due to the amount of parent involvement tuition is very reasonable.

Morning classes are held on Monday and Tuesday for three-year-olds and on Wednesday, Thursday and Friday for four-year-olds. Children enjoy a program including music, art, stories, field trips, cooking and nutrition. The program endeavors to enhance the development of parent-child relationships, help the child discover the world around him and provide guidance through love and encouragement.

Registration for September will be taken at the Open House or by calling Mrs. Edgington, 637-5762, for further information.



READY FOR SUNRISE Ready to conduct Easter Sunrise Services are Rev. Robert Prentice and Rev. David Brostrom.

Redeemer Lists Services

Jesus' death and resurrection have more meaning than any other event in history. This coming Holy Week the public is invited to commemorate these events with special worship services at Redeemer Lutheran Church, Placentia, announced the Rev. Erwin G. Walz recently.

Holy Communion will be celebrated on Maundy Thursday at 7:30 p.m. Pastor Walz will speak on "What We Do Points To What Is Coming!" Barbara Lueck will present a vocal solo entitled "Calvary" and Scott May will provide a piano solo of John Field Nocturnes.

A "Service of Darkness" is being held on Good Friday at 7:30 p.m. Use of a candle will portray the gloom of death of Jesus brought to his contemporaries. The promise of his resurrection is also being symbolized by the use of the candle. The senior choir, directed by Barbara Lueck will present two numbers. Meditation will be entitled "The Door To Life Is Open!"

Three worship services will mark the resurrection of Jesus at Redeemer on Easter Sunday. The 7 a.m. worship will feature the Sacrament of Holy Communion. The junior choir will sing at the 8:30 a.m. Family Easter Worship. Their special selections include "Easter Song," "Thank you, Lord" and "Blessed Be the Name." Beverley Bullis is presenting "I Know That My Redeemer Liveth" from The Messiah.

The Festival Easter Worship at 10:30 a.m. is featuring the senior choir in a special choral speech of the 150th Psalm, "O Clap Your Hands," based on Psalm 47, and the anthem "Now Is Christ Risen." The Easter sermon topic chosen by Pastor Walz for all three services is "Christ Will Destroy Death!"

A Continental Easter Breakfast is being served from 9:30-10:20 by the Luther League and the Church and Community Relations Board.

'No Greater Love' At RD Friends

The sanctuary choir of Rose Drive Friends Church will present John Peterson's cantata, "No Greater Love" on Good Friday at 8 p.m. A repeat performance is slated for Easter evening at 6 p.m. In addition to the choir, a play by the youth department will dramatize the musical event.

Rosemary Metheny directs the choir. Under her skillful leadership the choir has communicated the message of Christ with outstanding effectiveness. The choir cantatas often draw capacity crowds to the church located at the corner of Bastanchury Rd. and Rose Drive in Yorba Linda.

Mark Vincent, a young businessman with a flare for drama, directs the youth play. Mike Winter and Jennifer Shirk play the leading roles. The plot centers around a Roman matron who follows her servant girl, only to find herself exposed firsthand to Christians. Even very young children speak up in explaining what's so special about Christ.

Composer John W. Peterson writes, "The greatest and most indispensable ingredient in all the universe is love." He sees Christ's death on a cross on Good Friday as God's "no greater love" expressed to mankind. He hopes those who hear the cantata will find themselves stirred "with new gratitude to God for Calvary."

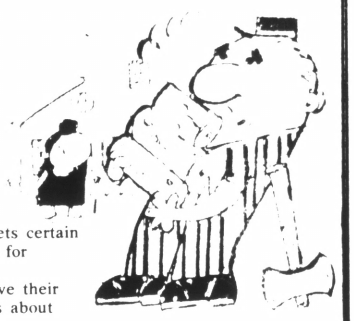
MANHOOD AND MARRIAGE
How do they mix?


Culture sets certain standards for manhood.
Wives have their own ideas about manliness.
God desires men to meet his measurement for them.
How can a guy get it all together? There are some great fellows working at it. Why not join them? There are some good classes for sharing the know how. Today isn't too soon to check them out. Tomorrow you may wish you had.

Alpha Appoints Director

Announcement of the appointment of Gary B. Lane of Yorba Linda as director of family education at Alpha Center has been announced by Fred Reyes, executive director of the family service agency.

Lane currently coordinates courses in Parent Effectiveness Training which are designed to provide parents with skills for enhancing their relationships with their children. P.E.T., according to Lane, aims at developing skills in problem solving, listening and expressing one's feelings He said there are six authorized P.E.T. teachers on his staff conducting the courses regularly throughout the year.

Parent-Teen Workshops also are currently being offered under Lane's direction at Alpha Center. These 10-week workshops are designed, he said, to assist families in dealing with the stresses unique to the teen years.

Lane, who holds a bachelor's degree in psychology from Cal State University at Fullerton and will receive his master's degree in marriage, family and child counseling from Biola, La Mirada, in May, said his department's plans for the near future include a course in sex education in the home to be offered to the church and general public in the northeast county.

Further information may be obtained by telephoning Alpha Center, 993-4400.

Slim & Trim Registration

Get in shape for summer at the Slim and Trim classes sponsored by the Placentia Recreation Department. The classes are designed to help women develop good exercise practices with the aid of music.

The Spring session of classes will begin the week of April 19. Classes will be held on Monday or Tuesday mornings from 10 a.m. to 11 a.m. or Thursday evenings from 8 p.m. to 9 p.m. The fee for the eight week class is $8.

Registration for Slim and Trim and all other Spring classes will be held on Saturday, April 10 at the Backs Community Building, 201 North Bradford Avenue. Resgistration is open to Placentia residents only from 8 a.m. to 9 a.m. and for both residents and nonresidents from 9 a.m. to 10:30 a.m.

For further information, please call 993-8232.

Three members of the Swim Team of Placentia placed at the Orange County Swim Conference Invitational Meet held at Cerritos College recently.

Jeff Bailey captured 1st place in the 5 & 6 year old boys 25 yard free style with a time of 17.7; 2nd in 25 yard breast 25.1; 3rd 25 yard back 24.5 and 3rd 25 yard fly 22.0.

Renata Kendall turned in a 21.00 for her 25 yard free for 3rd place in the 5 & 6 year old girls competition.

Nancy Sadlak swam a 35.7 for 2nd place in the 11 & 12 year old girls 50 yard breast; 31.0 for 5th in her 50 yard fly; and 1:11.0 in 100 yard individual medley for 5th place.

Cinco De Mayo Plans

Music of Mexico is filling the gym at McFadden Elementary School in Placentia this month as members of the community teach children traditional dances to perform an the annual Cinco de Mayo celebration at the school.

Parents and members of a school advisory committee planning the program and teaching children dances are Rosa Alvarado, Irma Ayala, Rosa Buenrostro, Linda Cisneros, Millie Cisneros, Rosa Diaz, Corina Gonzales, Irene Orozco, Lucy Peralta, Sofia Rodriguez and Maria Torres.

The Cinco de Mayo celebration will be held at McFadden, 974 S. Melrose St., Tuesday, May 4. A Mexican dinner will be prepared by members of the community, according to Principal David Heil.

Teen Age Commissioner Sought

Applications for the high school position on the Placentia Traffic Safety Committee are now being accepted and encouraged, Mayor Robert Lyons stated at the Placentia City Council meeting recently.

The mayor suggested that high school juniors apply so that the successful applicant can serve on the committee for two years.

Easter Vacation

Spring vacation brings trips to the beach and shopping for spring wardrobes to most youngsters, but for many its a trip to the hospital. Spring vacation is the peak season for tonsilectomies. Placentia-Linda Hospital recently hosted a pre-operation party to give soon-to-be-patients an idea of what to expect. After refreshments with a clown, they sang songs, saw slides of a child going through the procedure (minus the actual surgery of course), practiced taking blood pressure, and handled basic equipment. Worried faces relaxed as the party progressed and well over 20 children knew what to expect.

A few songs help loosen up the spirits and vocal cords.

"Anything Goes" Planned

'Almost Anything Goes' is a television show which features cities in competition with other cities doing ridiculous contests requiring skill and great sense of humor.

Placentia Heritage Festival Committee is planning to include an "Almost Anything Goes" program in this year's festival activities, either inviting various city individuals and organizations to compete with one another or else inviting other cities to Placentia to compete.

Placentia Heritage Festival Committee invites anyone, whether a member of an organization or an individual, to join the activities of this year's Heritage Days Festival Committee. The committee is made up of residents of the city who are interested in planning and participating in the festival which is held in October.

Heritage Festival Meetings are held monthly on the second Thursday of the month, at Koch Park. The meetings begin at 7:30 and end at 9:30 p.m.

How does this thing work anyway?

An ice collar might be interesting...maybe?

RADIO ACTIVITY

An increase in thefts of citizen band radio equipment was noted for the month of February by the Placentia Police Department. The majority of the thefts were from parked vehicles, the department advises. "This type of theft can be reduced by either removing the citizens band radio from the vehicle or securing it from view when the vehicle is unattended," the department suggests.

Valencia High In Top 10

For the second consecutive year Orange County high schools walked off with top honors at the 30th annual Future Farmers of America agricultural judging field day at Mt. San Antonio College, including the Allan Sherman Memorial Sweepstakes Trophy. The event is sponsored by Security Pacific Bank and the MSAC Young Farmers.

Nearly 700 students from more than 40 high schools throughout Southern California attended the all day event. Valencia High School placed sixth in the top 10 "A" team Schools.

COUNTING SHEEP--George Applegarth, manager of Security Pacific Bank's Placentia Office, inspects Suffolk sheep projects of three Valencia High School Future Farmers of America participants in preparation for the Orange County Section competition which begins on Monday. Security Pacific Bank has sponsored FFA field days, competition and awards banquets in California for the past 21 years. The three competitors, [from left] are Kim Topp, 18, senior; Sherry Berg, 18, senior and Suzie Hendricks, 16, sophomore. They will join nearly 70 other Orange County High School students on April 27 at a Grand Hotel awards banquet in Anaheim.

Tigers

BY JOHN BARRETO

The Valencia Tigers lost but won.

League leading Sonora High School edged by Valenia 2-1 last Tuesday. Carl Hill was the hard luck pitcher for the Tigers as he dropped his fifth straight start.

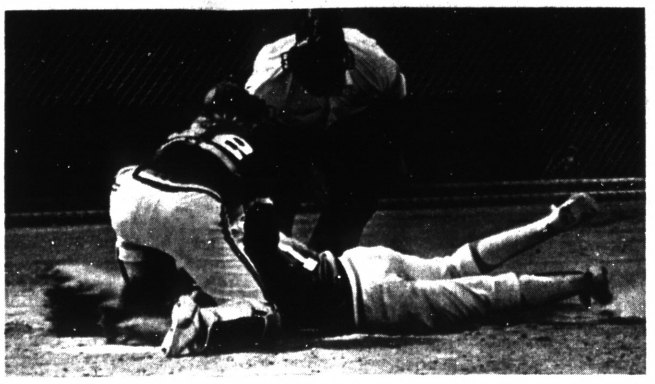
Hill gave up only five hits, but walked eight batters in his seven inning stint. The score was tied going into Sonora's eighth, but then catcher John Meyer doubled down the left field line, took third on a wild pitch and scored as outfielder Rick Bishop lined a single into center.

During the game, Tiger pitcher Hill did not get sufficient aid from his teammates as they were held to just two hits by Raider pitcher Mike Border. Border also struck out 11. The line score on the game was Valencia 1 run, 2 hits, and no errors; Sonora 2 runs, 5 hits, and 2 miscues.

Friday, however, was a different day. Valencia tripped Esperanza 10-6. The Tigers collected nine hits to aid pitcher Mike McCall for his second victory, and only the second win for the Tigers so far this season. Valencia was trailing Esperanza 4-0 going into the Tiger third and before the dust cleared Valencia scored 7 runs and had 3 more by the end of the game. Tiger shortstop Kelly Rosas homered in the seventh inning for Valencia.

Jim Teahan homered for Esperanza. The rundown on the game was: Valencia 10 runs, 9 hits, and 2 errors; Esperanza 6 runs, 10 hits and no errors.

Diamond Dust: The Tigers can still overtake Brea-Olinda if they win two games or one and Brea loses one or two games. There is still time for Valencia to capture fourth place from Canyon if all goes well. It looks like Sonora has first place all sewed up, but the Tigers haven't rolled over yet.



YER OUT - Troy catcher Jeff Knox tags out Huntington Beach runner trying to score on infield hit. Troy won 10-4 in Anaheim Tournament opening game.

Netmen Win , Lose

BY SCOTT EMBLIDGE

The Troy High School tennis team had no trouble in putting away Buena Park 27-1 on the Warriors courts last Tuesday but when Sunny Hills came to challenge Troy the awesome Lancers proved too much for Troy by winning 23.5 - 4.5.

It seems unlikely that anyone will come near beating Sunny Hills this year considering the mere four and a half points Troy pulled in were the most points given up yet by the Lancers.

But back to the bright side for Troy supporters. The Warriors number one player, Mike Lillie, appeared to just going through warm-ups when he cut down four straight Buena Park opponents 6-2, 6-2, 6-0, 6-3.

Number two singles player Paul Shaver fared even better than Lillie. Shaver limited his four adversaries to just two games winning 6-2, 6-0, 6-0, 6-0.

The Pulido brothers, playing number three and four singles, recorded seven victories to just one defeat between them. Jose was the solo loser when he fell to Buena Park's top player 2-6 and, to rub salt in the wound, younger brother Luis won 6-2 against the same foe.

The Varsity doubles teams of Mark Beilin-Kraig Kobyashi and Rich Homan-Terry Brevick won by an astonishing total game score of 48-5 with Beilin and Kobyashi dropping just one game in four sets.

Troy's excellent Junior Varsity squad scored a 9-0 sweep against the Coyotes and even more impressive was their 3-6 loss to Sunny Hill's J.V.

The Lancer's J.V. can compete with many schools Varsity squads. Both Varsity and Junior Varsity have 7-2 records.

Records Set

Five new team records were set by Swim Team of Placentia members while they placed in individual events at an AAU "AB" meet at Rio Hondo College recently.

Two relay teams came home with first places. The 11 and 12 year old girls team won the 200 yard medley with a time of 2:09.9. Team members were: Margaret Andrews, Jill Ward, Nancy Sadlak, and Saundra Oberle. The 9 and 10 year old boys team of Tony Bell, Lee Duncan, David McAfee and Robert Sadlak won their 200 yard free relay with a time of 2:15.2.

Swimming to places in the A division were: 9 & 10 girls - Christine Johnson 2nd 100 yard back with 1:17.4 (new team record), 3rd 200 yard free 2:22.1 (new team record), 3rd 50 yard free 30.2. 9 & 10 year old boys - Tony Bell 3rd 50 yard breast 40.4, 4th 100 yard butterfly 1:16.6, 5th 200 yard individual medley 2:52.6.

11 & 12 year old girls - Jill Ward 2nd 100 yard breast 1:11.7 (new team record). Nancy Sadlak 4th 100 yard breast 1:16.1 and 5th 100 yard butterfly 1:08.8 (new team record).
